Sub: Cadre restructuring – implementation of
the decisions within a stipulated period – reg.

Sir,

The EPF Officers Association would like to express
our sincere gratitude for giving us an opportunity to place
our suggestions before the Cadre Restructuring Committee.

In this context, it is to inform that the
various suggestions have been made taking into account
the genuine problems faced at present for an effective
cadre restructuring proposal and as such it is requested
that the suggestions made may kindly be looked into and
considered in toto in the proposed cadre restructuring
proposal.

Further, it is also requested that the above
process may kindly be completed within a stipulated time-
frame so that the benefits of cadre restructuring could be

provided to the officers fraternity sooner as the 7th Pay Commission Report is also shortly due.

Thanking you,

Yours faithfully,

A. Swami
